OTHER WOVEN CUSTOMIZED PRODUCTS WE CAN CREATE
Packaging items, Furnishing Complements & Accessories

Customizable, beautiful and elegant woven shopping bags...giving any brand great visibility

Graceful, useful, highly appreciated, with a precious uniqueness, it is proposed as an important and strategic gift or as a promotional sales gadget for targeted and effective marketing.

As with all our products, particular attention is paid to style, customization, to the concept of reuse and eco-sustainability.

Customizable tablecloths, runner tablecloths, napkins and doilies, coasters... Fine details of a brand

For any event, to embellish and customize with style or to be proposed as simple, useful and elegant furnishing complement, exclusively woven customized with a brand logo, they characterize the personality and the search for taste in the proposal of any product and company image.

Woven fabric lampshades

With customized fabric combined with a label or a logo, the lampshade is a furnishing accessory suitable for special occasions, events, presentations.

To be offered for sale or for special promotions ... it becomes a valuable and elegant piece of furniture, a witness to the identity and uniqueness of a brand and a company.

The lampshades can be made in a wide range of shapes, patterns and sizes, depending on any personal need.

Customizable, elegant and refined bottle dresses

Practical and beautiful, customizable with the logo or name of your company or of the wine it is to embellish, the woven bag covers the bottle, highlighting the personality and character of the product. Packaging is now an integral part of the brand identity and adds value to a wine, whose success is based not only on quality, but also on visual impact, perceptions and sensoriality.

Originally customizable cushions, available in different sizes...

Beautiful and comfortable it lasts over time, customized with a logo or a company name. The pillow can be made in different shapes and sizes. In addition to having a relevant aesthetic function, it becomes an effective marketing tool for a company, as it will be impossible not to notice it on a sofa, an armchair, resting on a chair.

....And much much more....
